ABB: Graduate Internships 2025 | 2026 Latest Job Opportunities

Description

Join ABB, a global technology leader driving the digital transformation of industries. As a Graduate Intern, you will have the opportunity to immerse yourself in innovative projects, collaborate with experienced professionals, and gain hands-on experience in your field of study.

Responsibilities

- Contribute to ongoing projects within your assigned department or team.
- Conduct research, analysis, and data interpretation to support project objectives.
- Assist in the development and implementation of new technologies, processes, or solutions.
- Collaborate with cross-functional teams to solve complex problems and optimize project outcomes.
- Participate in meetings, workshops, and training sessions to enhance your skills and knowledge.
- Prepare reports, presentations, and other documentation to communicate project progress and findings.
- Follow company policies, procedures, and safety guidelines at all times.

Qualifications

- Currently pursuing a Bachelor's or Master's degree in a relevant field such as Engineering, Computer Science, Business Administration, or a related discipline.
- Strong academic performance with a minimum GPA requirement (if applicable).
- Excellent communication, teamwork, and interpersonal skills.
- Demonstrated ability to adapt to new environments and learn quickly.
- Proficiency in Microsoft Office Suite and other relevant software applications.
- Prior internship experience or relevant extracurricular activities is a plus.
- Eligible to work in the location of the internship without sponsorship.

Job Benefits

- Valuable hands-on experience in a global company at the forefront of technology.
- Mentorship and guidance from experienced professionals in your field.
- Exposure to diverse projects and opportunities for professional growth.
- Competitive compensation package.
- Networking opportunities with peers, mentors, and leaders across the organization.
- Potential for future career opportunities with ABB upon graduation.
