Aberdare Cables: Learnerships 2025 | 2026 Apply Now

Description

Aberdare Cables is offering an exciting learnership opportunity for motivated individuals seeking practical work experience and valuable skills development in the electrical industry. The learnership program aims to provide participants with hands-on training, mentorship, and exposure to different facets of cable manufacturing, installation, and related functions.

Responsibilities

- Participate actively in various aspects of the learnership program, including theoretical and practical training sessions.
- Learn and apply fundamental principles of cable manufacturing, testing procedures, quality control measures, and safety protocols.
- Work closely with experienced professionals and mentors to gain insights into production processes, machinery operation, and maintenance.
- Collaborate with teams to understand and contribute to efficient manufacturing practices and adherence to industry standards.
- Engage in on-the-job training, workshops, and educational sessions to enhance technical skills and knowledge.
- Follow established guidelines and safety protocols to ensure a secure working environment for oneself and colleagues.
- Complete assigned tasks and projects within specified timelines, demonstrating dedication and willingness to learn.

Qualifications

- Matric certificate (Grade 12) with Mathematics and Physical Science as subjects of study.
- Passion for the electrical industry and a keen interest in gaining practical experience.
- Strong work ethic, willingness to learn, and a proactive approach to tasks.
- Excellent communication and interpersonal skills.
- Ability to work effectively in a team and adapt to a dynamic work environment.
- Commitment to safety protocols and adherence to company policies.

Job Benefits

- Practical hands-on training in a leading cable manufacturing company.
- Exposure to various aspects of the electrical industry.
- Mentorship and guidance from experienced professionals.
- Stipend or allowance during the learnership period.
- Potential career growth opportunities based on performance and merit.
