Description

Anglo American is seeking motivated and ambitious interns to join our dynamic teams across various departments. As an intern, you will have the chance to work alongside experienced professionals, participate in real-world projects, and develop essential skills that will kick-start your career in the mining industry. Whether you're interested in engineering, geology, finance, sustainability, or any other facet of our business, Anglo American offers internships tailored to your interests and strengths.

Responsibilities

- Collaborate with team members on ongoing projects and initiatives.
- Assist in data collection, analysis, and reporting.
- Contribute innovative ideas and solutions to address business challenges.
- Participate in meetings, workshops, and training sessions to enhance your skills.
- Support day-to-day operations within your assigned department.
- Engage in networking opportunities and build relationships with industry professionals.
- Embrace a culture of safety, sustainability, and continuous improvement.

Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in a relevant field (e.g., engineering, geology, finance, environmental science).
- Strong academic record with a passion for learning and personal development.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Adaptability and willingness to take on new challenges.
- Demonstrated interest in the mining industry and sustainable practices.

Job Benefits

- Hands-on experience in a global mining company.
- Mentorship from industry experts.
- Competitive compensation package.
- Opportunities for career advancement and full-time employment upon graduation.
- Exposure to diverse projects and technologies.
- Networking opportunities with professionals across the organization.
