## Anglo American: Cadet Trackless Operator Learnerships 2025 | 2026 Apply Online

### Description

Anglo American is excited to offer enthusiastic individuals the opportunity to join our Cadet Trackless Operator Learnership Program. This initiative aims to equip participants with the essential skills and knowledge required to operate trackless mining machinery efficiently and safely.

### Responsibilities

- Participate in theoretical learning sessions to acquire foundational knowledge in trackless machinery operation.
- Receive hands-on training under the guidance of experienced operators to gain practical skills in the operation and maintenance of trackless machinery.
- Adhere to safety protocols and procedures during practical training sessions.
- Engage actively in assessments and evaluations as per the learnership program's requirements.

### Qualifications

- Minimum educational requirement: Matric/Grade 12 certificate or equivalent.
- Strong interest in pursuing a career in the mining industry as a trackless machinery operator.
- Excellent communication and teamwork skills.
- A proactive attitude towards learning and adapting to new skills and technologies.
- Residents of [Specific Location] will be given preference.

### Job Benefits

- Gain practical experience in operating trackless machinery within a leading mining company.
- Receive comprehensive training and mentorship from seasoned professionals in the field.
- Monthly stipend provided for the duration of the learnership.
- Opportunity for personal and professional growth within the mining sector.
- Exposure to various facets of mining operations within Anglo American.
