Bosch Rexroth Africa: YES Learnerships / Internships 2025 | 2026 Apply Online

Description

Bosch Rexroth Africa is offering exciting Learnerships/Internships through the YES (Youth Employment Service) program. This program is designed to provide young individuals with valuable hands-on experience and training in the field of engineering, manufacturing, and related disciplines.

Responsibilities

- Participate in on-the-job training sessions to gain practical experience in various aspects of drive and control technologies.
- Work closely with experienced professionals to learn about the design, development, and implementation of engineering solutions.
- Assist in troubleshooting and problem-solving activities to support the maintenance and optimization of industrial systems.
- Collaborate with cross-functional teams to contribute to projects and initiatives aimed at enhancing operational efficiency and productivity.
- Engage in continuous learning and skill development opportunities to broaden knowledge and capabilities in relevant areas.

Qualifications

- Must be a recent graduate or currently enrolled in a relevant degree or diploma program in engineering, mechanical, electrical, or related field.
- Strong passion for engineering and technology with a desire to pursue a career in the field.
- Excellent communication and interpersonal skills.
- Ability to work effectively both independently and as part of a team.
- Willingness to learn and adapt to new challenges in a dynamic work environment.
- Must be eligible to participate in the YES program.

Job Benefits

- Hands-on training and mentorship from industry professionals.
- Exposure to cutting-edge technologies and innovative solutions.
- Opportunity to gain valuable work experience and enhance employability.
- Competitive stipend or allowance during the duration of the program.
- Possibility of future employment opportunities based on performance and business needs.

Contacts

Interested candidates who meet the above requirements are encouraged to submit their resumes and cover letters via email with the subject line "Bosch Rexroth Africa YES Learnerships/Internships Application." Please include relevant academic transcripts and any supporting documents. Applications will be reviewed on a rolling
