Cartrack Academy Learnerships 2025 Launch Your Career Today

Description

Are you ready to kickstart your career in the telematics and fleet management industry? Cartrack, a global leader in vehicle tracking and fleet management solutions, is offering exciting learnership opportunities for 2025. These programs are designed to provide hands-on experience, industry knowledge, and a pathway to a rewarding career. Whether you're a recent graduate, seeking a career change, or aiming to enhance your skills, Cartrack's learnerships offer a valuable platform to grow professionally. Established in 2004, Cartrack has rapidly grown into a prominent player in the telematics industry, operating in over 23 countries across five continents. With a commitment to innovation and customer satisfaction, Cartrack provides comprehensive fleet management, vehicle tracking, and insurance telematics services. The company's global presence and diverse workforce reflect its dedication to excellence and continuous growth.

Responsibilities

As a learner at Cartrack, your responsibilities will include participating in training sessions and workshops, assisting in various departments to gain comprehensive industry insights, completing assigned projects and tasks within set deadlines, and collaborating with team members to achieve organizational goals.

Qualifications

To be eligible for the learnership program, applicants must possess a Matric certificate with at least 60% in English and 50% in Mathematics or 60% in Mathematical Literacy. Basic computer skills, including proficiency in MS Office (Word, Outlook, Excel), are required.

Experience

Applicants should be between 18 and 33 years of age. Previous work experience or a tertiary qualification is advantageous but not mandatory.

Skills

Successful candidates should demonstrate strong communication and interpersonal skills, the ability to work collaboratively in a team environment, eagerness to learn and adapt to new challenges, and a basic understanding of the telematics industry.

Job Benefits

Participants in the learnership program will enjoy hands-on experience in a leading telematics company, mentorship from industry professionals, potential for permanent employment upon successful completion of the program, and access to Cartrack's employee wellness programs.
