## City of Johannesburg: Social Science Internships 2026 Latest Hiring

### Description

We are seeking enthusiastic and motivated individuals to join our Social Science Internship program. This internship offers a unique opportunity to work alongside experienced professionals in various departments within the City of Johannesburg, gaining insights into the complexities of urban governance, community development, social welfare, and policy implementation.

### Responsibilities

- Conduct research and analysis on social issues impacting the City of Johannesburg.
- Assist in the development and evaluation of community programs and initiatives.
- Support data collection and interpretation for policy formulation and decision-making.
- Collaborate with multidisciplinary teams to address social challenges and promote inclusive development.
- Assist in organizing community engagement activities, workshops, and events.
- Provide administrative support as needed, including drafting reports and presentations.
- Contribute innovative ideas and solutions to enhance social service delivery and community well-being.

### Qualifications

- Currently enrolled in or recently graduated from a Bachelor's or Master's program in Social Sciences, Sociology, Psychology, Public Policy, or a related field.
- Strong analytical skills and ability to critically evaluate social phenomena.
- Excellent communication and interpersonal skills.
- Proficiency in research methodologies and data analysis techniques.
- Ability to work independently and collaboratively in a fast-paced environment.
- Passion for community development and social justice.
- Prior experience in community engagement, research, or public service is advantageous but not required.

### Job Benefits

- Hands-on experience in a municipal government setting.
- Mentorship and guidance from experienced professionals.
- Networking opportunities with stakeholders in government, nonprofit organizations, and academia.
- Potential for future career advancement within the City of Johannesburg or related sectors.
- Stipend or compensation may be provided, depending on funding
