- Assist in the development and implementation of strategies to optimize operational efficiency and customer satisfaction.
- Conduct research and analysis to identify market trends and opportunities.
- Support the execution of marketing campaigns across various channels, including digital and traditional media.
- Assist in inventory management and supply chain operations to ensure seamless product availability.
- Contribute to financial analysis and reporting processes.
- Provide technical support and assistance for IT-related projects and initiatives.

Qualifications

- Recent graduate with a Bachelor's or Master's degree in Business Administration, Marketing, Finance, Information Technology, Supply Chain Management, or related fields.
- Strong academic performance with a minimum GPA of 3.0 (or equivalent).
- Excellent communication and interpersonal skills.
- Analytical mindset with the ability to think critically and problem-solve.
- Proactive attitude and willingness to learn.
- Ability to work effectively both independently and as part of a team.
- Proficiency in Microsoft Office suite (Word, Excel, PowerPoint).

Job Benefits

- Valuable hands-on experience in a dynamic and fast-paced environment.
- Mentorship and guidance from experienced professionals.
- Opportunity to work on meaningful projects and make a tangible impact.
- Competitive stipend or salary.
