Department of Defence: Work Integrated Learning (TVET Placements) 2025 Apply Now

Description

The Department of Defence is seeking motivated individuals for Work Integrated Learning (TVET Placements) positions. This program offers hands-on experience and training in various fields within the defence sector. Successful candidates will work alongside experienced professionals, gaining practical skills and insights into defence operations and administration.

Responsibilities

- Assist in conducting research and analysis relevant to defence policies and operations.
- Support departmental projects and initiatives under the guidance of senior staff.
- Participate in workshops, training sessions, and field exercises as required.
- Contribute to the preparation of reports, presentations, and documentation.
- Collaborate with team members to achieve departmental goals and objectives.

Qualifications

- Currently enrolled in a Technical and Vocational Education and Training (TVET) program or equivalent.
- Strong academic background in fields related to defence, administration, engineering, logistics, or technology.
- Excellent communication skills, both verbal and written.
- Ability to work effectively in a team environment and independently when required.
- Proficiency in Microsoft Office suite and other relevant software applications.
- Previous experience or exposure to defence-related projects or environments.
- Knowledge of defence policies, procedures, and regulatory frameworks.
- Demonstrated initiative and a proactive approach to learning and problem-solving.

Job Benefits

- Hands-on experience in a dynamic and challenging work environment.
- Mentorship and guidance from seasoned professionals in the defence sector.
- Opportunities for networking and career development within the Department of Defence.
- Potential for continued employment or further career advancement based on
