Dept of infrastructure Development: National Youth Service (NYS) Internships 2025 Apply Online

Description

We are seeking passionate and motivated individuals to join our team as interns through the National Youth Service program. As an intern, you will have the opportunity to gain hands-on experience in various aspects of infrastructure development while working alongside experienced professionals in the field. This internship will provide valuable insight into the inner workings of a governmental infrastructure department and will help you develop essential skills for your future career.

Responsibilities

- Assist with research, data collection, and analysis for infrastructure projects.
- Support project managers in day-to-day tasks and project coordination activities.
- Participate in site visits and inspections to gain practical knowledge of infrastructure development processes.
- Contribute ideas and insights to project planning and implementation discussions.
- Collaborate with team members on various departmental initiatives and tasks.

Qualifications

- Must be a current participant in the National Youth Service (NYS) program.
- Enrolled in or recently graduated from a relevant degree program such as civil engineering, urban planning, architecture, or a related field.
- Strong communication and interpersonal skills.
- Ability to work effectively both independently and as part of a team.
- Eagerness to learn and a proactive attitude towards assigned tasks.
- Basic computer skills and proficiency in Microsoft Office applications.

Job Benefits

- Hands-on experience in infrastructure development projects.
- Mentorship and guidance from experienced professionals in the field.
- Networking opportunities within the department and the broader infrastructure industry.
- Certificate of completion and letter of recommendation upon successful internship tenure.
- Potential for future employment opportunities based on performance and departmental needs.

Contacts

Interested candidates who meet the above requirements are invited to submit their resumes and cover letters Via Email. Please indicate "NYS Internship Application" in the subject line.
