2024 Dispensary Support Learnerships at Dis-Chem (Apply Online)

Description

Dis-Chem, a leading pharmaceutical and healthcare retailer, is offering exciting opportunities for individuals interested in the pharmaceutical industry. The Dispensary Support Learnerships are designed to provide comprehensive training and hands-on experience in supporting dispensary operations while developing essential skills for a career in pharmacy services.

Responsibilities

- Assist pharmacists and dispensary staff in day-to-day operations.
- Learn and adhere to pharmacy regulations, company policies, and standard operating procedures.
- Dispense medication under the supervision of qualified pharmacists.
- Assist in managing inventory, stock rotation, and expiry date checks.
- Provide excellent customer service, addressing inquiries, and offering product advice when required.
- Maintain a clean and organized dispensary area.
- Complete assigned coursework and assessments as part of the learnership program.
- Participate in learning sessions, workshops, and practical training to enhance pharmaceutical knowledge and skills.

Qualifications

- Matric certificate (Grade 12) with Mathematics and Science as subjects of study.
- Passion for the pharmaceutical/healthcare industry and a desire to pursue a career in this field.
- Strong interpersonal and communication skills.
- Ability to work effectively in a team-oriented environment.
- Attention to detail and accuracy in performing tasks.
- Willingness to learn and take direction from experienced pharmacists and mentors.

Job Benefits

- **Structured Learning Program:** Comprehensive training and mentorship by experienced pharmacists and professionals within Dis-Chem's network.
- **Hands-On Experience:** Practical exposure to dispensary operations and pharmaceutical practices, enhancing skill development in a real work environment.
- **Career Development:** Opportunity for career growth within Dis-Chem after successful completion of the learnership program, potentially leading to permanent employment.
- **Stipend/Allowance:** Financial support or a stipend during the duration of the learnership to cover expenses.
- **Skills Enhancement:** Access to specialized courses, workshops, and

Contacts

- To apply for the Dispensary Support Learnerships at Dis-Chem, prospective candidates can typically follow these steps:
- **Visit the Dis-Chem Careers Page:** Go to the Dis-Chem official website and navigate to the “Careers” or “Jobs” section.
- **Search for Available Learnership Positions:** Look for available learnership opportunities or specific job postings related to dispensary support, pharmaceutical services, or learnership programs.
- **Review Job Requirements:** Read through the job description, responsibilities, and qualifications needed for the learnership position to ensure eligibility.
- **Prepare Application Documents:** Gather necessary documents such as a cover letter, updated resume (CV), and relevant academic transcripts or certificates.
- **Complete Application Online:** Follow the application instructions provided on the Dis-Chem website. This might involve creating an account, filling out an online application form, and uploading your application documents.
- **Submit Application:** Once the application is complete, review it for accuracy and submit it through the designated platform or email address provided in the job posting.
- **Follow Up:** After submitting the application, consider following up with Dis-Chem’s human resources department or recruitment team if there’s a contact provided. This can show your continued interest and enthusiasm for the position.
- **Stay Updated:** Keep an eye on your email for any correspondence regarding the status of your application. Dis-Chem might reach out for interviews or further information.
- **Prepare for Interviews:** If selected for an interview, prepare by researching Dis-Chem, understanding the role, and practicing potential interview questions related to pharmacy services or customer care.
- **Attend Interviews:** Attend the scheduled interviews and demonstrate your passion, skills, and suitability for the learnership program.
