Dis-Chem: Dispensary Support Learnerships 2025 New Hiring

Description

We are currently seeking enthusiastic and dedicated individuals to join our Dispensary Support Learnership program at Dis-Chem Pharmacies. The program is designed to provide practical training and theoretical knowledge to aspiring pharmacy assistants, enabling them to gain valuable hands-on experience within a pharmacy environment.

Responsibilities

- Support pharmacists and pharmacy assistants in various dispensary tasks and operations.
- Learn and adhere to pharmacy procedures and guidelines under the guidance of experienced professionals.
- Assist in the management of inventory, including stock rotation and expiry date checks.
- Engage with customers in a professional and helpful manner, providing basic information and assistance.
- Maintain cleanliness and organization within the dispensary area.
- Learn about prescription medication and over-the-counter products, including their uses, dosages, and storage requirements.
- Participate actively in all aspects of the learnership program, including classroom-based learning and on-the-job training.

Qualifications

- Minimum educational requirement: Matric/Grade 12 certificate (or equivalent).
- Interest in pursuing a career in the pharmaceutical/healthcare industry.
- Strong communication skills and the ability to work well within a team.
- Eagerness to learn and adapt to a fast-paced environment.
- Commitment to completing the full duration of the learnership program.
- No prior work experience required; this learnership is suitable for individuals seeking an entry point into the pharmaceutical sector.

Job Benefits

- The learnership program will run for a specified duration, providing a structured learning experience.
- Successful candidates will receive a stipend during the learnership period.
- Upon successful completion, learners may be considered for permanent positions within Dis-Chem Pharmacies based on performance and available vacancies.

Contacts

To apply for the Dispensary Support Learnership at Dis-Chem Pharmacies, please submit your updated CV and a cover letter expressing your interest in the program. Shortlisted candidates will be contacted for further assessments and interviews.
