Eskom: Plant Operator Learnerships New Hiring

Description

Eskom is offering an exciting opportunity for enthusiastic individuals interested in pursuing a career in power generation. The Plant Operator Learnership program aims to equip participants with theoretical knowledge and practical skills required to operate and maintain power plant equipment effectively.

Responsibilities

- Participate in an extensive learning program focused on power plant operations and maintenance.
- Attend classroom training sessions to gain theoretical knowledge related to power generation, safety protocols, equipment handling, and operational procedures.
- Engage in hands-on training under the guidance of experienced professionals to develop practical skills in operating and maintaining power plant machinery and equipment.
- Follow safety regulations and protocols at all times to ensure a safe working environment.
- Collaborate with team members to assist in daily plant operations, troubleshooting, and maintenance tasks.
- Demonstrate a proactive approach to learning, seeking guidance, and applying acquired knowledge effectively.

Qualifications

- Minimum educational qualification: Matric/Grade 12 certificate with Mathematics and Physical Science.
- Passion for a career in the power generation industry.
- Strong interest in mechanical and electrical systems.
- Excellent communication skills and ability to work well in a team.
- Willingness to learn and adapt to a dynamic work environment.
- Commitment to adhering to safety standards and protocols.

Job Benefits

- Hands-on training in a leading power utility company.
- Exposure to cutting-edge technology and equipment.
- Mentorship from experienced professionals.
- Potential for growth and career advancement within Eskom.

Contacts

Interested candidates meeting the specified criteria are invited to apply online through the Eskom careers portal or submit their applications through designated channels as per the company's guidelines.

Eskom is an equal opportunity employer committed to diversity and inclusion in the workplace.
