- **Client Support:** Assist in the preparation of client presentations, financial reports, and strategic recommendations under the guidance of experienced professionals.
- **Data Management:** Work with financial databases and tools to organize, analyze, and interpret financial data for decision-making purposes.
- **Collaboration:** Engage in cross-functional collaboration with various teams within FASSET, fostering a dynamic and inclusive work environment.
- **Learning Opportunities:** Attend training sessions, workshops, and team meetings to enhance financial knowledge, industry insights, and professional skills.
- **Project Participation:** Contribute actively to ongoing projects, gaining hands-on experience in financial modeling, risk assessment, and strategic planning.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program in finance, business, economics, or a related field.
- Strong analytical skills and attention to detail.
- Excellent communication and interpersonal skills.
- Proficient in Microsoft Excel and other relevant financial tools.
- Ability to work independently and collaboratively in a team environment.

Job Benefits

- **Mentorship:** Interns will have the opportunity to work closely with experienced professionals who will provide guidance and mentorship.
- **Networking:** Access to a network of industry experts and professionals, creating valuable connections for future career opportunities.
- **Skill Development:** Hands-on experience in financial analysis, strategic planning, and client interactions to enhance professional skills.
- **Flexible Work Arrangements:** Opportunities for remote work to accommodate individual preferences and circumstances.
