Fraser Alexander: Human Resources / Industrial Psychology Internships 2025 New Hiring

Description

We are seeking dedicated and enthusiastic individuals to join our Human Resources / Industrial Psychology Internship program. This internship provides a unique opportunity to gain hands-on experience in a corporate environment while contributing to the development and success of our dynamic team. Interns will have the chance to work closely with experienced professionals in the field, gaining valuable insights into the intersection of human resources and industrial psychology within the mining and industrial sector.

Responsibilities

- Collaborate with the Human Resources team to support various HR functions, including recruitment, onboarding, and employee relations.
- Assist in the design and implementation of employee development and training programs.
- Contribute to the assessment and improvement of workplace culture and employee engagement initiatives.
- Participate in industrial psychology projects aimed at enhancing employee well-being and performance.
- Assist in data collection, analysis, and reporting for HR metrics and key performance indicators.
- Support the implementation of HR policies and procedures.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program in Human Resources, Industrial Psychology, or a related field.
- Strong academic background and a passion for human resources and industrial psychology.
- Excellent communication and interpersonal skills.
- Proactive and self-motivated with a strong desire to learn and contribute.
- Ability to handle confidential information with discretion.

Job Benefits

- Exposure to a dynamic and global industry leader.
- Mentorship from experienced professionals.
- Networking opportunities within the organization.
- Potential for future career opportunities based on performance.

Contacts
