GIBB Group: YES Internship Programme 2025 Apply Now

Description

GIBB Group is excited to announce the launch of our YES (Youth Employment Service) Internship Programme, designed to provide young talents with valuable hands-on experience and mentorship in the field of engineering and consulting. This programme offers an excellent opportunity for interns to gain practical skills, develop industry knowledge, and kick-start their careers in a dynamic and supportive environment.

Responsibilities

- Collaborate with experienced professionals on real-world projects across different sectors.
- Assist in conducting research, data analysis, and preparing technical reports.
- Participate in site visits, inspections, and fieldwork to gain practical experience.
- Support project teams in various tasks including design, planning, and project management.
- Engage in team meetings, workshops, and training sessions to enhance skills and knowledge.
- Contribute ideas and insights to drive innovation and continuous improvement within the organization.
- Adhere to company policies, procedures, and safety guidelines at all times.

Qualifications

- Currently enrolled in or recently graduated from a relevant engineering or related degree programme.
- Passionate about pursuing a career in the consulting or engineering industry.
- Strong analytical skills with the ability to think critically and problem-solve effectively.
- Excellent communication skills, both verbal and written.
- Ability to work collaboratively in a team environment and independently when required.
- Proficiency in Microsoft Office Suite and other relevant software applications.
- Demonstrated initiative, adaptability, and a willingness to learn.

Job Benefits

- Hands-on experience working on diverse and impactful projects.
- Mentorship and guidance from experienced professionals in the industry.
- Networking opportunities to connect with peers and industry experts.
- Exposure to cutting-edge technologies and industry best practices.
- Potential for career advancement and employment opportunities upon successful completion of the internship.
