IDC: Graduate Internships 2025 New Hiring

Description

As a Graduate Intern at the Industrial Development Corporation of South Africa, you will have the invaluable opportunity to gain practical work experience, exposure to diverse projects, and contribute to the growth of the nation's industries. This internship program is designed to provide recent graduates with hands-on experience in various disciplines while working alongside industry experts and professionals.

Responsibilities

- **Project Support:** Assist in project research, analysis, and development under the guidance of senior team members.
- **Data Analysis:** Collect, organize, and analyze data to contribute to project assessments and decision-making processes.
- **Documentation and Reporting:** Prepare reports, presentations, and documentation related to ongoing projects or initiatives.
- **Collaboration:** Work closely with cross-functional teams to support and contribute to various ongoing projects and initiatives.
- **Learning and Development:** Engage in continuous learning opportunities, training sessions, and workshops to enhance skills and knowledge within your field of study.
- **Ad Hoc Support:** Provide assistance and support on various tasks and projects as required.

Qualifications

- Recent graduate (within the last two years) with a degree in Business Administration, Economics, Finance, Engineering, IT, Marketing, or related fields.
- Strong analytical skills and the ability to work with data to derive meaningful insights.
- Excellent communication skills (both written and verbal).
- Ability to work collaboratively in a team environment.
- Eagerness to learn, adapt, and contribute positively to the organization.

Job Benefits

- Gain practical work experience and exposure to various sectors within a reputable development finance institution.
- Mentorship and guidance from industry professionals.
- Networking opportunities within the organization and broader industry.
- Competitive stipend or compensation package.

Contacts

Interested candidates meeting the above criteria are encouraged to submit their CV/resume along with a cover letter outlining their interest in the IDC Graduate Internship Program. Shortlisted candidates will be contacted for further assessments and interviews.
