Impala Platinum Learnership 2025: Career Opportunities in South Africa

Description

Impala Platinum Holdings Limited (Implats) offers learnership programs designed to equip individuals with practical skills and theoretical knowledge in the mining industry. These programs provide participants with hands-on experience, preparing them for successful careers within the sector.

The Impala Platinum Learnership is a structured program that combines theoretical instruction with practical on-the-job training. Participants engage in various disciplines related to mining operations, working under the guidance of experienced professionals to develop competencies essential for their chosen trade.

Responsibilities

- Actively participate in all assigned training modules and practical assignments.
- Perform tasks as directed by mentors or supervisors.
- Adhere to safety protocols during training sessions and practical work.
- Complete all required evaluations and assessments.
- Collaborate with team members and fellow learners to achieve program objectives.
- Apply theoretical knowledge to real-world scenarios within the workplace.

Qualifications

- South African citizenship with a valid ID document.
- Matric/Grade 12 certificate with Mathematics and Science.
- Relevant tertiary qualification (advantageous).
- Strong analytical and problem-solving skills.
- Excellent communication abilities and teamwork orientation.
- Basic computer literacy.

Experience

While prior experience in the mining industry is advantageous, it is not mandatory. The learnership program is designed to accommodate individuals new to the field, providing them with the necessary training and experience to excel.

Skills

- Strong analytical and problem-solving capabilities.
- Excellent communication skills.
- Ability to work effectively both independently and as part of a team.
- Adaptability and willingness to learn.
- Adherence to safety protocols and regulations.

Job Benefits

- Comprehensive training and development opportunities.
