- Conduct research and analysis to support project planning and decision-making processes.
- Engage with local communities to understand their needs, challenges, and aspirations.
- Support the development of project proposals, reports, and presentations.
- Collaborate with cross-functional teams to ensure effective project implementation and monitoring.

Qualifications

- Currently pursuing or recently completed a degree in Social Sciences, Development Studies, or related fields.
- Passion for community development, social change, and making a positive impact.
- Excellent communication and interpersonal skills.
- Strong analytical and problem-solving abilities.
- Ability to work independently and collaboratively in a team environment.
- Proficiency in MS Office suite (Word, Excel, PowerPoint).

Job Benefits

- Valuable hands-on experience in community development initiatives.
- Mentorship and guidance from experienced professionals.
- Exposure to diverse projects and opportunities for learning and growth.
- Networking opportunities within the development sector.
