Logistics Support – Intern 2025 – Paid Internships

Description

HemoCue AB is a global leader in point-of-care testing, dedicated to improving healthcare outcomes by providing innovative medical devices and solutions. With a focus on precision and reliability, we empower healthcare professionals to make timely and accurate diagnoses, particularly in the fields of hematology, diabetes, and critical care. Our commitment to excellence extends beyond product development to fostering talent and nurturing the next generation of professionals through our comprehensive internship programs.

HemoCue AB is seeking a motivated and detail-oriented Logistics Support Intern to join our dynamic team. As a Logistics Support Intern, you will have the opportunity to gain hands-on experience in the logistics and supply chain operations of a leading medical device company. This internship offers exposure to various aspects of logistics management, including inventory control, order processing, transportation coordination, and warehouse management.

At HemoCue, we believe in investing in the future of healthcare through our internship programs. As a HemoCue intern, you will have the opportunity to gain valuable hands-on experience, work alongside industry professionals, and contribute to meaningful projects that make a difference in patient care. Whether you're interested in medical device technology, research and development, engineering, business, marketing, or international operations, HemoCue offers a variety of internship opportunities to suit your interests and career aspirations.

Responsibilities

- Assist in managing inventory levels and ensuring adequate stock availability for timely order fulfillment.
- Support the order processing workflow, including order entry, verification, and invoicing.
- Coordinate with internal teams to streamline logistics processes and optimize supply chain efficiency.
- Assist in monitoring and tracking shipments to ensure on-time delivery to customers.
- Collaborate with logistics partners and vendors to resolve any delivery or transportation issues.
- Assist in conducting regular audits to maintain inventory accuracy and identify areas for improvement.
- Provide general administrative support to the logistics team, including data entry and documentation.

Qualifications

- Currently enrolled in a degree program in Logistics, Supply Chain Management, Business Administration, or related field.
- Strong organizational skills with keen attention to detail.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Office applications, particularly Excel and Word.

- Ability to work effectively both independently and as part of a team.
- Prior internship or coursework related to logistics or supply chain management is a plus.

Job Benefits

- **Paid Internship:** As a Logistics Support Intern at HemoCue AB, you will receive a competitive compensation package commensurate with your skills and experience.
- **Learning and Development Opportunities:** Gain valuable hands-on experience and enhance your skills in logistics, supply chain management, and healthcare operations through mentorship and training provided by industry professionals.
- **Networking Opportunities:** Connect with professionals across various departments within HemoCue AB and expand your professional network through networking events, team-building activities, and collaborations.
- **Career Advancement:** Gain exposure to the inner workings of a global medical device company and explore potential career paths within HemoCue AB. Receive guidance and support in defining your career goals and aspirations.
- **Flexible Work Environment:** Enjoy a flexible work schedule and a supportive work environment that promotes work-life balance and encourages personal and professional growth.
- **Employee Discounts:** Take advantage of employee discounts on HemoCue products and services, as well as special offers from our partner organizations.
- **Access to Company Facilities:** Benefit from access to state-of-the-art facilities and resources at our headquarters in Helsingborg, Sweden, including modern workspaces, laboratories, and research facilities.

Contacts

- **Prepare Your Application Materials:** Update your resume and compose a cover letter that highlights your qualifications, relevant experience, and interest in the internship position. Be sure to mention any coursework, projects, or extracurricular activities that demonstrate your skills and passion for logistics and supply chain management.
- **Review the Job Description:** Familiarize yourself with the responsibilities and qualifications outlined in the job description to ensure alignment with your career goals and aspirations.
- **Submit Your Application:** Send your resume and cover letter with the subject line "Logistics Support Internship Application – [Your Name]." Please ensure that your application materials are saved in PDF format and include your full name in the file names (e.g., "John_Doe_Resume.pdf").
- **Application Deadline:** We encourage you to apply as soon as possible, as applications will be reviewed on a rolling basis.
- **Interview Process:** If your application is selected for further consideration, you may be invited to participate in an interview or assessment process. This may include phone interviews, virtual interviews, or onsite interviews at our headquarters in Helsingborg, Sweden.
- **Notification of Selection:** Candidates selected for the internship will be notified via email or phone. If you are selected, you will receive additional information regarding the internship start date, onboarding process, and any necessary paperwork or documentation.
- **Acceptance of Offer:** Upon receiving an offer for the internship, you will have the opportunity to accept or decline the offer. If you accept the offer, you will be provided with detailed information about the internship program,

including expectations, responsibilities, and benefits.
