Minopex Learnerships 2025 New Hiring

Description

The Minopex Learnerships program is designed to provide aspiring individuals with hands-on experience and training in various aspects of the mining sector. This structured learning opportunity aims to equip learners with the necessary skills and knowledge to pursue a successful career in mining and related fields.

Responsibilities

- Participate in classroom-based training sessions to gain theoretical knowledge about the mining industry.
- Work closely with experienced mentors to gain practical, on-the-job experience in mining operations.
- Learn and apply safety protocols and regulations to ensure a safe working environment for all team members.
- Gain a comprehensive understanding of mining equipment and machinery operation.
- Collaborate with colleagues to develop problem-solving and teamwork skills.
- Take part in relevant mining projects and tasks as directed by supervisors.

Qualifications

- South African citizenship or valid work permit.
- Matriculation certificate with relevant subjects (mathematics and science are often preferred).
- A strong passion for and interest in the mining industry.
- Excellent communication and teamwork skills.
- Strong commitment to safety and compliance with regulations.
- Willingness to learn and adapt to a dynamic work environment.
- Availability to participate in the full duration of the learnership program.

Job Benefits

- Comprehensive training and development in the mining sector.
- Hands-on experience in a real mining environment.
- A competitive stipend for the duration of the learnership.
- Exposure to industry professionals and potential future employment opportunities.
- An opportunity to kickstart a rewarding career in the mining industry.

Contacts

Interested candidates should submit their applications, including a resume and a cover letter detailing their motivation for joining the Minopex Learnerships program. Shortlisted candidates will be invited for interviews and assessments to determine their suitability for the program.
