- Conduct research and analysis to support decision-making processes.
- Collaborate with team members to develop marketing materials, reports, and presentations.
- Attend meetings and contribute ideas and insights.
- Support sustainability initiatives and community engagement activities.
- Perform administrative tasks as needed.

Qualifications

- Strong communication and interpersonal skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Ability to work independently and as part of a team.
- Passion for sustainability and the seafood industry.

Job Benefits

- Practical experience in a reputable organization.
- Mentorship from industry professionals.
- Networking opportunities within the fishing and seafood sector.
- Potential for future employment opportunities.

Contacts

Interested candidates should submit their resume and a cover letter detailing their interest in the internship and relevant experience.
