Old Mutual: Data Capturers – Entry level Jobs [2026-27]

Description

Old Mutual, a leading financial services provider, is seeking enthusiastic and dedicated individuals to join our team as Data Capturers. This entry-level role is designed to support our branch operations during the Two-pot retirement fund withdrawal window period. The successful candidates will play a crucial role in enhancing our customer service experience by assisting clients with their digital interactions and ensuring smooth transactions.

Responsibilities

- 1. Customer Service Support:**
 - Provide exceptional customer service to clients in Old Mutual branches.
 - Assist customers in navigating our digital customer service platform specifically tailored for the Two-pot retirement fund withdrawal process.
 - Offer guidance and support on using digital devices to complete transactions effectively.
- 2. Queue Management:**
 - Help manage customer queues to streamline service delivery and alleviate pressure on branch staff.
 - Monitor and manage foot traffic within the branch to ensure a smooth flow of customers.
- 3. Digital Assistance:**
 - Assist customers with accessing and utilizing digital devices for their Two-pot retirement fund transactions.
 - Provide clear instructions and support for reading information related to their transactions.
 - Guide customers through self-service options and the submission process on their devices.
- 4. Information Provision:**
 - Supply customers with essential information regarding their retirement fund transactions.
 - Offer detailed explanations and answer queries related to the call center details and transaction processes.
- 5. Technical Support:**
 - Troubleshoot and resolve minor technical issues that customers may encounter while using digital platforms.
 - Ensure that all digital interactions are recorded accurately and efficiently.

Qualifications

- **Education:** Grade 12 / National Senior Certificate or Equivalent NQF 4.
- **Experience:** No prior experience is required; however, experience in a
