Old Mutual: Quantitative Internships 2026 | 2027 Latest Application

Description

Old Mutual is seeking talented and motivated individuals for our Quantitative Internship program. This internship offers a unique opportunity to gain hands-on experience in quantitative finance within a dynamic and supportive environment. As a Quantitative Intern, you will have the chance to work alongside experienced professionals on real-world projects, applying your analytical skills to solve complex financial problems.

Responsibilities

- Assist in the development and implementation of quantitative models and strategies for investment analysis and risk management.
- Conduct data analysis and research to support investment decision-making processes.
- Collaborate with team members to enhance existing quantitative tools and methodologies.
- Participate in discussions and meetings to contribute insights and ideas for improving quantitative processes.
- Perform ad-hoc tasks and projects as assigned by supervisors.

Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in a quantitative field such as Mathematics, Statistics, Finance, Economics, or related discipline.
- Strong analytical and problem-solving skills with a keen attention to detail.
- Proficiency in programming languages such as Python, R, or MATLAB.
- Excellent communication and interpersonal skills.
- Ability to work both independently and collaboratively in a fast-paced environment.
- Previous experience or coursework in quantitative finance or related areas is a plus but not required.

Job Benefits

- Valuable hands-on experience in quantitative finance.
- Mentorship and guidance from experienced professionals.
- Exposure to a wide range of financial products and markets.
- Networking opportunities within the finance industry.
- Competitive compensation package.

Contacts

If you are passionate about quantitative finance and eager to learn in a dynamic environment, we encourage you to apply for our Quantitative Internship program at Old Mutual. Please submit your resume and a cover letter outlining your interest in the position and relevant qualifications.
