Plennegy: Graduate Internships 2026 New Job Hiring

Description

Plennegy, a leading energy solutions provider based in Kempton Park, South Africa, is offering an exciting Graduate Internship opportunity for highly motivated individuals seeking to kickstart their careers in the energy sector. This internship program is designed to provide hands-on experience and professional development in a dynamic and innovative environment.

Responsibilities

- **Project Support:** Assist in the execution of various energy projects, including renewable energy initiatives, energy efficiency programs, and sustainable development projects.
- **Research and Analysis:** Conduct research, data analysis, and market studies to support project planning and decision-making processes.
- **Documentation and Reporting:** Prepare comprehensive reports, presentations, and documentation to communicate project progress and outcomes effectively.
- **Collaboration:** Work closely with cross-functional teams including engineers, project managers, and external stakeholders to ensure project milestones are achieved on time and within budget.
- **Learning and Development:** Participate in training sessions, workshops, and mentorship programs to enhance technical skills and industry knowledge.

Qualifications

- Recent graduates (within the past 2 years) with a degree in Engineering, Environmental Science, Business Administration, or related fields.
- Strong analytical skills and proficiency in Microsoft Office suite (Excel, Word, PowerPoint).
- Excellent communication skills, both verbal and written.
- Ability to work independently and collaboratively in a fast-paced environment.

Job Benefits

- Hands-on experience in the energy sector with exposure to diverse projects.
- Mentorship from industry professionals and opportunities for career advancement.
- Competitive stipend and potential for full-time employment based on performance and business needs.
