PSG: Graduate Internships 2026 | 2027 Latest Application

Description

PSG Financial Services is excited to offer graduate internship opportunities for talented individuals who are passionate about pursuing a career in the financial services industry. As a Graduate Intern, you will have the opportunity to gain hands-on experience and invaluable insights into various aspects of wealth management, financial planning, and client relationship management under the guidance of experienced professionals.

Responsibilities

- Assist financial advisors and wealth managers in conducting comprehensive financial analyses for clients, including investment portfolio reviews, retirement planning, and risk assessments.
- Support the preparation of personalized financial plans and investment proposals tailored to individual client needs and objectives.
- Participate in client meetings and presentations, gaining exposure to client interactions and relationship building.
- Conduct research on financial products, market trends, and investment strategies to support decision-making processes.
- Collaborate with cross-functional teams within PSG Financial Services to contribute to ongoing projects and initiatives.
- Utilize financial software and tools to analyze data and generate reports for clients and internal stakeholders.
- Engage in continuous learning and professional development opportunities to enhance knowledge of financial services industry practices and regulations.

Qualifications

- Recent graduate or current student pursuing a Bachelor's or Master's degree in Finance, Economics, Business Administration, or a related field.
- Strong analytical skills and attention to detail, with the ability to interpret financial data and trends.
- Excellent communication and interpersonal skills, with the ability to interact professionally with clients and colleagues.
- Proactive and self-motivated individual with a willingness to learn and take on new challenges.
- Proficiency in Microsoft Office Suite, particularly Excel, PowerPoint, and Word.
- Prior internship or relevant work experience in finance or related field is preferred but not required.
