PSiRA: Internships 2025 Latest Jobs

Description

PSiRA is offering internship opportunities for dynamic and motivated individuals who are eager to gain practical experience in the regulatory field. As an intern at PSiRA, you will have the opportunity to work alongside experienced professionals and contribute to the organization's mission of regulating the private security industry.

Responsibilities

- Assist with administrative tasks related to licensing and registration processes.
- Conduct research on industry trends, regulations, and best practices.
- Provide support in the development and implementation of compliance initiatives.
- Assist with data analysis and reporting activities.
- Support outreach and education efforts aimed at stakeholders in the private security industry.
- Contribute to the organization of workshops, seminars, and other events.
- Collaborate with team members on special projects and assignments.

Qualifications

- Currently enrolled in a relevant undergraduate or postgraduate program.
- Strong academic background in fields such as law, public administration, business, or a related discipline.
- Excellent written and verbal communication skills.
- Proficiency in Microsoft Office suite (Word, Excel, PowerPoint, Outlook).
- Ability to work independently and as part of a team.
- Attention to detail and strong organizational skills.
- Demonstrated interest in regulatory affairs, public policy, or the private security industry is desirable but not required.

Job Benefits

- Gain hands-on experience in regulatory affairs and compliance.
- Opportunity to network with professionals in the private security industry.
- Develop valuable skills in research, analysis, and project management.
- Receive mentorship and guidance from experienced professionals.
- Potential for future career opportunities within PSiRA or the private security sector.

Contacts

Interested candidates should submit a resume/CV and a cover letter outlining their interest in the internship position. Please indicate "Internship Application – PSiRA" in the subject line of your email.
