South African Civil Aviation Authority (SACAA) Internships 2025 New Hiring

Description

SACAA is seeking enthusiastic and motivated interns to join our dynamic team. This internship program provides a unique opportunity for students or recent graduates to gain practical experience, develop essential skills, and contribute to meaningful projects within the civil aviation sector. Interns will work closely with experienced professionals, receiving mentorship and exposure to diverse aspects of aviation regulation, safety, operations, and administration.

Responsibilities

- Assist in research, data analysis, and reporting on aviation regulations and compliance standards.
- Support various departments in administrative tasks, documentation, and filing systems.
- Participate in the development and implementation of safety protocols and procedures.
- Contribute to projects focused on aviation safety, security, or environmental sustainability.
- Collaborate with teams to support audits, inspections, and regulatory compliance activities.
- Engage in learning opportunities, workshops, and training sessions offered during the internship period.
- Contribute innovative ideas and solutions to enhance operational efficiency and safety measures within the aviation industry.

Qualifications

- Currently pursuing a degree in Aviation Management, Aeronautical Engineering, Law, Business Administration, or related fields OR recent graduates within two years of obtaining a relevant degree.
- Passion for the aviation industry with a strong desire to learn and grow within the field.
- Excellent communication skills, both written and verbal.
- Ability to work collaboratively in a team environment and adapt to dynamic work requirements.
- Proficiency in MS Office (Word, Excel, PowerPoint, etc.) and research skills.
- Attention to detail and a commitment to maintaining high standards of quality and safety.

Job Benefits

- Hands-on experience and exposure to various facets of civil aviation regulation and operations.
- Mentorship and guidance from industry professionals.
- Networking opportunities within the aviation sector.
- Potential for career growth and development within SACAA or the broader aviation industry.
