

Seriti Coal Learnerships 2025 | 2026 Apply Here

Description

Seriti Coal is offering an exciting Learnership program for individuals looking to kickstart their careers in the mining industry. We are looking for dedicated, motivated, and dynamic learners who are eager to learn and grow within our organization. This program is designed to provide learners with the knowledge and skills required to excel in various mining-related roles.

Responsibilities

- Participate in theoretical and practical training as part of the learnership program.
- Complete all required assessments and assignments in a timely manner.
- Comply with safety regulations and guidelines at all times.
- Learn and apply industry-specific skills and knowledge under the guidance of experienced professionals.
- Attend all training sessions, workshops, and on-the-job training as required.
- Demonstrate a commitment to learning and development by actively engaging in the program.

Qualifications

- Grade 12 certificate or equivalent qualification.
- South African citizenship or permanent residency.
- Strong interpersonal and communication skills.
- Willingness to learn and work in a dynamic and challenging environment.
- Ability to work well in a team and follow instructions.
- Physically fit and able to work in a mining environment.

Job Benefits

- Valuable hands-on experience in the mining industry.
- A monthly stipend for the duration of the learnership.
- Opportunity for further development and potential permanent employment.
- Exposure to various facets of the mining industry.
- Mentorship and guidance from experienced professionals.

Contacts

- Review the job description and ensure that you meet all the specified requirements and qualifications.
- Prepare your application materials, which typically include your CV (curriculum vitae) and a cover letter. Make sure your CV is up-to-date and highlights your relevant skills and experiences.
- Create a cover letter that addresses your motivation for applying to the Seriti Coal Learnerships program. This letter should be well-written, concise, and specific to the position. Explain why you are interested in the program and how your skills and qualifications align with the requirements.
- Send your application materials to the specified email address provided in
