Trans-Caledon Tunnel Authority (TCTA): Internships 2025 | 2026 New Job Hiring

Description

Trans-Caledon Tunnel Authority (TCTA) is a state-owned entity established in South Africa to finance, manage, and implement water infrastructure projects. TCTA plays a pivotal role in the development and maintenance of water resources infrastructure, ensuring sustainable water supply to various sectors across the country.

Trans-Caledon Tunnel Authority (TCTA) is offering a comprehensive internship program designed to provide practical work experience to talented graduates. The internship aims to develop a pool of skilled professionals who can contribute effectively to the water sector in South Africa.

Responsibilities

- Assist in project planning, implementation, and monitoring under the guidance of senior staff.
- Conduct research and analysis to support project assessments and feasibility studies.
- Assist in preparing reports, presentations, and documentation related to ongoing projects.
- Participate in site visits and fieldwork to gain practical insights into water infrastructure operations.
- Collaborate with multidisciplinary teams to contribute innovative ideas and solutions to water management challenges.
- Support administrative tasks such as data entry, filing, and maintaining project records.
- Attend training sessions, workshops, and seminars to enhance professional skills and knowledge.

Qualifications

- Recent graduates with a degree in Civil Engineering, Environmental Science, Water Resource Management, or related fields.
- Strong academic record and a keen interest in water infrastructure development.
- Excellent analytical, research, and communication skills.
- Ability to work effectively in a team and independently when required.
- Proficiency in Microsoft Office suite (Word, Excel, PowerPoint).

Job Benefits

- Gain hands-on experience in water infrastructure projects.
- Mentorship from experienced professionals in the water sector.
