## TreasuryONE: Cash and Liquidity Management Internships 2026 New Job Hiring

### Description

TreasuryONE is a leading treasury services company based in Pretoria, South Africa. With a focus on providing innovative solutions in cash management, liquidity management, and financial risk management, TreasuryONE serves a diverse portfolio of clients across various industries. Our team is comprised of experienced professionals who are dedicated to delivering exceptional service and value to our clients.

TreasuryONE is offering internship opportunities for individuals interested in gaining hands-on experience in cash and liquidity management. As an intern, you will have the opportunity to work closely with our team of experts, gaining valuable insights and practical skills in the field of treasury management.

### Responsibilities

- Assist in the preparation and analysis of cash flow forecasts.
- Support in the development and implementation of liquidity management strategies.
- Assist in monitoring and managing daily cash balances and liquidity positions.
- Collaborate with team members to identify and mitigate financial risks.
- Assist in conducting research on industry trends and best practices in cash and liquidity management.
- Support in the preparation of reports and presentations for internal and external stakeholders.
- Provide administrative support to the cash and liquidity management team, including data entry and file maintenance.

### Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in Finance, Accounting, Economics, or a related field.
- Strong analytical skills with attention to detail.
- Excellent verbal and written communication skills.
- Proficiency in Microsoft Excel and other MS Office applications.
- Ability to work effectively both independently and as part of a team.
- Prior internship or work experience in finance or treasury management is preferred but not required.

### Job Benefits
