Vodacom: Graduate Internships [2025-26]

Description

Vodacom is a leading African mobile communications company providing a range of services to millions of customers across the continent. We are dedicated to fostering innovation, driving digital transformation, and delivering exceptional experiences to our customers. Our dynamic environment offers numerous opportunities for talented individuals to grow and excel in their careers.

The Vodacom Graduate Internship Programme is a structured 12-month fixed-term contract designed to provide recent graduates with comprehensive workplace experience. This programme combines practical work exposure with a meticulously designed training curriculum, aimed at equipping interns with the skills and knowledge needed to thrive in the digital tech landscape.

Responsibilities

- **Workplace Experience:** Engage in meaningful projects and day-to-day operations within various departments, gaining hands-on experience and insights into Vodacom's core business areas.
- **Training and Development:** Participate in a structured training programme that covers essential skills and industry knowledge, enhancing your professional growth.
- **Career Exploration:** Explore different career paths within Vodacom, helping to identify and pursue your career interests and goals.
- **Networking:** Build relationships with professionals and leaders within Vodacom, expanding your network and gaining valuable industry connections.
- **Performance Feedback:** Receive regular feedback and mentorship to guide your development and address any areas for improvement.

Qualifications

- **Citizenship:** Must be a South African citizen by birth.
- **Age:** Must be 26 years old or younger.
- **Educational Background:** Must have completed an undergraduate degree (BCom, BSc, or B-Tech) in any field, or an equivalent qualification by the end of 2024. Degrees must be NQF Level 7 or higher.
- **National Diploma Consideration:** A 3-year National Diploma (NQF 6) will be considered only in the fields of Electrical/Electronic Engineering, Computer Software Engineering, or Information Systems/Information Technology.

Skills

- **Time Management:** Ability to prioritize tasks and manage time effectively in a fast-paced environment.
- **Interpersonal Skills:** Strong ability to interact and collaborate with team
